EDIT ME LO
SERVICE(S) AGREEMENT

This Services Agreement (the "Agreement") is entered into on _____ (the "Effective Date") by and between Edit Me Lo, LLC (hereafter "EDIT ME LO"), and _____ (hereafter "Client").

In consideration of the mutual covenants and conditions hereinafter set forth, the parties agree as follows:

SECTION 1. SCOPE OF SERVICES:
EDIT ME LO shall provide the services set forth in each Statement of Work attached hereto and incorporated herein by reference (the "Services"). EDIT ME LO shall not be required to undertake any additional service or services other than as set forth in each Statement of Work unless the scope of the Services is modified by written agreement of the parties. In connection with EDIT ME LO's performance of the Services, Client shall perform its responsibilities as set forth in each Statement of Work.

SECTION 2. TERM AND COMPENSATION:
This Agreement shall commence as of the Effective Date and shall continue thereafter, or until terminated pursuant to the provisions of this Agreement. The amount of compensation payable to EDIT ME LO for the Services to be performed under this Agreement is outlined in each Statement of Work. Payment terms shall be outlined in each Statement of Work. Invoices unpaid for more than fifteen (15) days from the date of an invoice shall be considered delinquent and shall accrue a finance charge of 1% per month. In the event an invoice becomes delinquent, EDIT ME LO may, at its sole option, terminate the delivery of the Services until such time as the account is brought current, or exercise all rights and remedies available to it under this Agreement or applicable law.

SECTION 3. STATUS OF THE PARTIES:
EDIT ME LO shall provide the Services on an independent contractor basis. Neither party is an agent of the other party and has no authority to represent the other party with regard to any matter. Each party shall be responsible for its federal, state and local taxes and for any fringe benefits or social security contributions for each party's respective employees.

SECTION 4. CONFIDENTIALITY:
Both parties agree to maintain the confidentiality of proprietary, business, technical, operational, and financial information disclosed in connection with this Agreement ("Confidential Information"), consistent with the confidentiality provisions already outlined in this Agreement, which remain **unchanged and fully enforceable**.

Confidentiality obligations survive termination.

EDIT ME LO and Client (for this Section 4, the "Receiving Party") shall, and shall cause its personnel to, hold and deal with the following in strict confidence: (a) information relating to the business of the other party (for this Section 4, the "Disclosing Party") if that information is clearly designated as confidential; (b) any unannounced product(s) or service(s) of the Disclosing

Party; (c) the terms, conditions and subject matter of this Agreement or any Statement of Work that may be agreed to by the parties; (d) all information and reports that may be generated by the Disclosing Party pursuant to any Statement of Work; (e) interim reports and work product that may be generated by the Disclosing Party in connection with this Agreement and any Statement of Work; (f) proprietary methodologies, techniques and tools of the Disclosing Party; and (g) any other information or materials that are designated as confidential. All of these items constitute "Confidential Information" unless excluded by the terms of the following paragraph.

Notwithstanding the terms of the preceding paragraph, Confidential Information does not include information that is: (a) approved for release or disclosure without restriction by the Disclosing Party's authorized representative in writing; (b) publicly known or becomes publicly known, so long as it is not through the acts or omissions of the Receiving Party that it is or becomes publicly known; (c) rightfully received by the Receiving Party from a third party without restriction and without violation of any agreement; (d) independently developed by the Receiving Party without reference to the Disclosing Party's Confidential Information; or (e) legally required to be disclosed by the Receiving Party under a requirement of a governmental agency or court of law having jurisdiction, but only if the Receiving Party provides the Disclosing Party with prompt notice prior to disclosure so that the Disclosing Party may seek judicial protection and the Receiving Party discloses only that information which, in the reasonable opinion of its counsel, is required to be disclosed. Client agrees that damages at law will be insufficient to remedy any violation or threatened violation of this provision, and that EDIT ME LO will suffer irreparable harm as a result. Therefore, EDIT ME LO AND Client agree that EDIT ME LO shall be entitled, upon application to a court of competent jurisdiction, to obtain injunctive relief, both temporary and permanent, or specific performance, to restrain such breach or to enforce the terms of this Agreement and Client shall be required to pay EDIT ME LO's reasonable attorney's fees and costs incurred in the enforcement of said provisions.

The Receiving Party shall protect the Disclosing Party's Confidential Information that is in the Receiving Party's possession or control using at least the same means it uses to protect its own Confidential Information, but in any event not less than reasonable means.

Upon termination of this Agreement, the Receiving Party shall, unless otherwise provided herein: (a) Return to the Disclosing Party all Confidential Information received from the Disclosing Party and any copies of that Confidential Information (or if the Disclosing Party so requests, shall destroy that Confidential Information and any such copies and shall certify to the Disclosing Party that it has done so); and (b) destroy any notes or other materials prepared by the Receiving Party (or prepared on its behalf) that contain Confidential Information received from the Disclosing Party. However, this requirement shall not require the return or destruction of (i) the Agreement or any Statement of Work, or drafts or copies thereof; (ii) materials that the Agreement contemplates will become the property of the Receiving Party; (iii) archival, accounting, financial or corporate files; or (iv) other materials that are required to be retained for audit, regulatory or legal reasons.
